

# 1.1 Invullen basisgegevens

The screenshot shows a registration form for 'SEO-BOOST' on a dark background. The form is titled 'Registreren' and contains four input fields: 'Naam' (Name) with the value 'Sem Boojj', 'E-mailadres' (Email address) with the value 'info@wboost.nl', 'Wachtwoord' (Password) with masked characters, and 'Wachtwoord bevestiging' (Password confirmation) with masked characters. Each field has a small icon of a person and a lock. Below the fields is a yellow 'Registreren' button and a link for 'Toch inloggen?' (Still log in?).
